

Grid-Tied PV Inverters

PVI 3000 PVI 4000
PVI 5000 PVI 5300

a breakthrough in efficiency and quality

- *top CEC efficiency*
- *DC disconnect*
- *string combiner*
- *quick-mount bracket*
- *lightweight*
- *10 year warranty*
- *powerful LCD display*
- *latest UL1741/IEEE1547*
- *universal 240/208VAC*
- *positive ground option*
- *transformer isolation*
- *free PC software and RS232&485 parts*
- *detachable DC wiring box*

Solectria introduces the PVI 3000/4000/5000/5300 inverter: exceptional quality and efficiency with more standard features.
